

# WORKPLACE HEALTH & SAFETY PRACTICE LEVEL 3 PROGRAMME

**Programmes Available:** There are currently two Workplace Health and Safety Practice programmes available – This Level 3 programme provides NZ workplaces with people who have the foundation health and safety skills and knowledge to meet workplace health and safety requirements.

Learners are typically able to achieve this level of the qualification in a 5-month period

**Programmes are:** Designed for people working in industries, who wish to take a leading role in implementing operational health and safety policies and procedures in the workplace.

**Programme delivery:** Typically, this programme is delivered as two 2 Day block courses (total of 4 days). These daily blocks are between 6 and 8 hours long and provide plenty of opportunity to learn about keeping a worksite healthy and safe.

The programme will include some interactive sessions where real life incidents are unpackaged, and the root causes of failure are exposed.

**Pre- Requisite** – *Learners must have some involvement with Health and Safety as part of their job role before being enrolled* and must be working in the industry for the duration of the programme.

**Programme costs:** Costs are per person + GST - **\$640** (If ITO subsidy applies). Travel disbursements may apply. Please contact us for costing of corporate groups which will be negotiable depending on numbers
