

WORKPLACE HEALTH & SAFETY PRACTICE LEVEL 4 PROGRAMME

Programmes Available: This Level 4 programme provides NZ workplaces with people who have the skills and knowledge to promote and monitor health and safety practices and procedures, and a positive health and safety culture in the workplace.

Learners are typically able to achieve this level of the qualification in a 7-month period

Programmes are: Designed for people who have or are intending to have a workplace health and safety function as part of their primary work role.

Programme delivery: Typically, this programme is delivered as two 2 Day block courses (total of 4 days). These daily blocks are between 6 and 8 hours long, in addition there are also some assessment tasks that learners will be required complete back in their workplace.

The programme is interactive with discussions covering the learning outcomes and the role and responsibilities of the OSH coordinator.

Pre- Requisites – *It is recommended that Learners hold the NZC in Workplace Health and Safety Practice at Level 3 or any equivalent, must be involved with Health and Safety as part of their job role before being enrolled and must be working in the industry for the duration of the programme.*

Programme costs: Costs are per person + GST - **\$2380** (If ITO subsidy applies). Travel disbursements may apply. Please contact us for costing of corporate groups which will be negotiable depending on numbers
